

# Welcome to Kidsworld Nursery & Pre-School

Dear Parents/Guardians,

It is our pleasure to welcome you and your child to Kidsworld Nursery & Pre-School. We are honored that you have chosen us to be a part of your child's early years education, and we look forward to providing a safe, nurturing, and engaging environment where your child can learn, grow, and flourish.

At Kidsworld, we understand that the early years are a crucial time in a child's development. Our dedicated team of qualified professionals is committed to delivering high-quality care and education, following the Early Years Foundation Stage (EYFS) framework. We strive to foster each child's natural curiosity, creativity, and confidence through play-based learning, structured activities, and a caring atmosphere.

Our priority is to ensure that every child feels secure, valued, and happy at all times. We provide a balanced approach to learning, encouraging development in all key areas. We offer well-balanced meals and snacks, accommodating all dietary needs while promoting healthy eating habits. Open communication is at the heart of our approach, and we believe that collaboration between nursery and home plays a vital role in a child's development. Our passionate team is committed to providing outstanding care, ensuring your child receives individual attention and encouragement.

We recognize that starting nursery can be an emotional transition for both children and parents. To ease this process, we offer a three-day settling-in period free of charge, allowing your child to become familiar with the environment at their own pace. Our team will work closely with you to ensure a smooth and positive start for your child.

We are delighted to have you as part of the Kidsworld Nursery & Pre-School community and look forward to building a strong relationship with both you and your child. Should you have any questions or require any additional information, please do not hesitate to contact us. We are here to support you every step of the way.

Warm regards,

The Kidsworld Nursery & Pre-School Team
